	Apr. 24 (Thu.)	9am – 1pm 1pm – 4pm	Closing remarks will be held in the afternoon. Materials clearance
Place	Conference Room A1 Okinawa Convention Center		

Corporate exhibition space will be available during the IcaAUMS 2025 conference. As shown in the above venue map, the exhibition hall, which is located near the registration desk and is the largest room at the conference venue, will be the perfect place to communicate with the many participants. Conference poster presentations and Bierstube will also be held in the same room.

This is a great opportunity to showcase your products and technologies to leading researchers, engineers and students with a broad range of interests in magnetism, magnetic materials and their applications. Exhibits will include instrumentation, process tools, materials and other associated technologies and products. Corporate exhibits by overseas companies are also welcome. In such a case, please consult with the agency regarding the export/import procedure.

We also welcome corporate ads for the banners of WEB site, program booklet and the digests of IcAUMS 2025.

For more information on exhibiting and advertising at this conference, please contact the agency below.
